Janice just called me a little bit ago; the Marines called her today and it sounds like most of them are now shipping off Weds morning so they'd like to do this Tues mid afternoon. She will be sending an email w/the exact details. I'll be sure that we have pins ready and any thing else I can think of.

In doing the Marine's talk before deployment next week let's make sure we have pins and/or other things to present them. Also, did they confirm that next week is the best time for the 48 soldiers?

Governor - received a phone call from the Major regarding the Marines. There are several that have to deploy on Wed. a.m. So would be unavailable for noon on Wed. They would all be available if you were able to address them on Tues. When you are available - 3:00/3:30 p.m. Janice
